

## Cornwall 6 aside Rules

### SLIDE TACKLES

There are no slide tackles, a freekick will be awarded if a player slides in an attempt to win the ball or slides in a dangerous manner.

### THE "D"

If the goalkeeper deliberately handles the ball outside the D a penalty will be awarded and the goalkeeper may be sin binned at the referees discretion. If a defender plays the ball in the D a penalty will be awarded.

### FREEKICKS

All freekicks are direct, except from a re-started back pass, where the freekick will be taken from where the ball was passed back. Opposing players must be four metres from the ball at all freekicks. If the offence is within four metres of the D, there will be no wall, but the goalkeeper can move to within four metres of the ball.

### BACK PASS

Goalkeepers can pick the ball up from a back pass. But can not receive it immediately from the player they have passed it to.

### DISCIPLINARY PROCEDURES

The length of time a player is sin binned (blue card) is at the discretion of the referee (minimum two minutes). Players must report to the organisers to start their sin bin. More serious offences will result in a red card and an automatic internal ban of between one and three match, depending on the severity of the offence. Any player who participates in violent conduct or abusive behaviour towards any match official will receive a RED CARD and will be reported to the CCFA where they will deal with any fines or bans. This will take precedence over any internal ban. Players suspended by the CCFA are not allowed to play in any football for the duration of their ban.

### SUBSTITUTIONS

Substitutes are roll on roll off, and must be approved by the referee. Teams must have no more than three substitutes. All subs must enter play during a re-start (ie throw in or goal kick)

### APPROPRIATE KIT

Shin pads must be worn at all times by all players.

### STARTING TIMES

Teams must be ready to start at their appointed kick off time. Please give at least 24 hours notice if you are unable to make your game.

### TRANSFERS

Players are allowed one transfer a season per division. League officials must be informed before transfers can take place.

OVERHEAD The ball is not allowed over head height (St Austell 6 aside Wednesday only)
